Case # 09-60157

March 12, 2009

Hello, this letter is in reference to the Deficiency Notice I received from you, and the phone conversation I had with Peggy today the 12th of March 2009.

Concerning the pay stubs for 60 days prior to my filing date, I was pretty sure that I sent them with the rest of my paperwork. But if you say they weren't in the folder than I believe you, and I am sending them as fast as I can to you. They are included in this envelope.

Also I had an X on "*the item that relates to an education individual retirement account.*" I do not have any type of education retirement account for anyone. This statement is true and accurate to the best of my knowledge.

I apologize for the error, and hope you have a nice day. Let me know if you need anything else.

Thank You,
James Moe
